Man injured in BB gun incident BY MELISSA MCKEON MMCKEON@ HOLDENLANDMARK.COM

A BB gun shooting police believe was accidental sent a Parker Avenue man to the hospital on January 10.

Police and emergency medical personnel were called to the Mason Road residence of Daniel R. Thibeault, 21, around 9:30 p.m. on Friday, January 10 after Kevin Barrett, 23, of Parker Avenue was shot in the head in what police have called an accidental shooting. Barrett was treated at the scene and at UMass-Lake Ave. before being released for what police said was a non-life-threatening injury.

Police say Thibeault was holding a Crossman .177 caliber air rifle when it discharged, striking Barrett in the back of the head.

Both Thibeault and Barrett are presently serving in the U.S. military and are expected to be deployed overseas in the next few months, police say.

The incident is being investigated by Det. Albert R. Bourget and Officer Robert P. Himmer of the Holden Police Department.

Police emphasized the dangerousness of handling weapons and the need for care and cognizance of potential dangers of any weapon.
