Question of the Week

Do you lock your car?

- All the time
- Only when away from home
- Not when it's parked in my own driveway

Vandalism spree leaves vehicles, homes damaged

BY MELISSA MCKEON MMCKEON@HOLDENLANDMARKCOM

EVIDENCE: The suspect or suspects left behind a sneaker and a vandalized truck. Photo courtesy of Holden police

HOLDEN — A vandalism spree —or two — left behind only a sneaker as evidence after police chased a suspect on Raymond Street in the early morning hours of Aug. 3.

Police responding to a report of car breaks in the Flagler Drive area near Holden Center around 3 a.m. observed two males cutting through yards, and gave chase. A K-9 unit from Auburn was called to track the suspects, who have not yet been apprehended.

Police are investigating whether the suspects are related to another spree that set the phones ringing around six a.m. Several cars and homes were vandalized on Salisbury Street, Cranbrook Drive, Mark Circle and Fisher Road. Vandals spray painted houses, cars and driveways, and broke vehicle windows.

Police are asking the public for help in identifying the owner of the size 8 America Hsu sneaker left behind. All calls to the nonemergency 508-829-4444 will remain anonymous if the caller requests. Police will provide a reward for information leading to the arrest of the person or persons responsible for the damage.

If anyone sees or hears anything unusual at night, they are requested to call 911 immediately.

Holden officers were being assisted in this investigation by officers from West Boylston and Massachusetts State Police.
