Two men charged in metal theft, chase

By Aaron Nicodemus TELEGRAM & GAZETTE STAFF

HOLDEN— Two men led police on a high-speed chase through downtown Sunday and were arrested in Worcester with 800 pounds of allegedly stolen aluminium in the back of their pickup truck.

Police received a call about suspicious activity at Salitski Alloys Inc. at 35 Industrial Drive in Holden about 2 p.m. Sunday. Police Officer Mark Kent went there and a green pickup truck sped right at him, nearly hitting his cruiser, according to Police Chief George R. Sherill.

The truck was pursued by Holden police at speeds of up to 60 miles per hour down Main Street, toward Indian Lake in Worcester, where Holden police stopped the vehicle and arrested the two men inside.

The driver was Mark F. Binns, 47, of 19 Ireta Road, Shrewsbury, according to police. He was charged with assault and battery with a dangerous weapon (a car), larceny over \$250, receiving stolen property, failing to stop for police, reckless driving, a marked lanes violation, and driving with a revoked license.

The passenger in the truck, Jared C. DePatsy, 27, of 104 Shrine Ave., West Boylston, was charged with larceny over \$250 and receiving stolen property.

Chief Sherrill noted it was the second theft of metal in Holden in a week.

The two men were arraigned in Leonminster District Court yesterday.
