**HOLDEN**— Police are trying to sort out the circumstances behind the crash of a truck into Orbit Pizza on Main Street last night.

Police are investigating the single-vehicle crash at 8:45 p.m. at the pizza shop, 981 Main St. The store was closed at the time, police said.

The driver of the SUV was rushed by rescue helicopter to UMass Memorial Hospital - University Campus in Worcester. He somehow lost control of the vehicle and hit a pole and a parked car before slamming into the building.

Police have not released the name of the driver.
